

## READY ... SET ... SUMMER

PHOTO SUBMITTED BY DAVID ALVEY

## ON NEIGHBORSGO.COM

### Capt. Castro

>> By sailing around Lake Ray Hubbard, Jason Castro experienced his dream of piloting a boat thanks to Scott Self. Jason was at the helm of Self's catamaran, the *Seawolf*, ferrying members of his family and some friends to The Harbor. Capturing the scene were *neighborsgo* editors Dawn Redig and Kandace Dodson, who posted exclusive video at [neighborsgo.com/video/924](http://neighborsgo.com/video/924).

### What a day for a daydreamin' boy

>> About 15,000 fans turned out for Jason Castro's homecoming in Rockwall on May 29. The city treated the *American Idol* alum to a parade and a cruise around Lake Ray Hubbard.

In return, Jason treated his fans with a four-song performance at The Harbor Amphitheatre. We were there to document the experience on [neighborsgo.com](http://neighborsgo.com). The highlights:

- More than 400 photos from contributors and editors.
- Video and audio from Jason's concert.
- Audio of Lake Pointe Church's commission of Jason.
- Stories from fans who were there.
